

Bactol[®]

Alcohol Gel

Have you discovered the Bactol[®] difference?

A growing number of our customers have made the change to Bactol[®] Alcohol Gel.

“We’ve tried numerous others. This is the first gel that hasn’t dried my hands out and feels nourishing”

– Hendriks Dental

“Nicer on the skin, not as drying & smells better”

– Darnell – Manawatu Dental

“The girls in piercing love it!”

– Cromwell Pharmacy

“Thank you for allowing us to test this product, our patients prefer Bactol”

– Courtney – Feet First Podiatry

Bactol[®] Alcohol Gel provides antibacterial hand cleansing without the need for water. It has been specially formulated with a natural emollient to maintain skin integrity and prevents moisture loss leaving your hands hygienic, soft and replenished.

Bactol[®] Alcohol Gel has been developed in compliance with EN1500 testing standard for alcohol based hand rubs. It is formulated with an alcohol concentration of 70% Ethanol v/v, as recommended by WHO for maximum efficacy.

HAND AND BODY WASH

Dermalux

For Everyday Use

Dermalux for Everyday Use is an ultra mild soap for hand and body washing. It is specifically designed to retain skin integrity, leaving the skin feeling soft and refreshed. Dermalux for Everyday Use is a pH balanced, ultra mild soap with added moisturisers that helps to prevent your skin from drying out.

Dermalux for Everyday Use is mild enough to be used throughout the day and is ideal for people who wash their hands frequently. It is an ultra mild soap with the delicate fragrance of peaches and apricots.
